We are working towards our PBL Launch for 2013 to be held on Thursday, 28 February (Week 5).
NEW DHS MOBILE PHONE APP

Great news! Our school now has a mobile phone app. What is that? you may ask. It is a little application that sits on your phone and gives you instant access to our school information when you click on it, 24/7. The app will give parents the ability to instantly access newsletters without going to the website, or to send in a sick note while you stand outside the school because you forgot to write a paper note! We will be sharing many of the other features with you over the coming weeks, but for now, download it to your smartphone by going to either the Apple App Store or Android Google Play Market and search for Duval High School. Once you have found it, press install or download.

SCHOOL BASED VACCINATION PROGRAM 2013

Vaccines offered in 2013:

<table>
<thead>
<tr>
