Duval High School

Invites
Year 8 Students, Parents & Carers to our

Subject Selection
Information Evening
Wednesday 7th August at 6pm
Staff Common Room
Our school values educational excellence and caters for individuals by offering a wide range of courses.

In Years 9 and 10, the syllabus continues to build on students' knowledge in order to prepare students for HSC studies or training and employment.

Year 9 and 10 students at Duval High School study three electives over two years.

Students should identify their strengths and their areas of interest when choosing electives and should speak with their parents for advice, and seek advice from their teachers.
